## **IMPORTANT INFORMATION: PLEASE READ BEFORE ORDERING**

**SoftSign™ Personal Signature Fonts**, are created in TrueType format and are compatible with Windows 3.1 or later and Macintosh OS X or later.

Due to its potential for misuse, each person's **SoftSign™** font is created to contain only his/her own signature(s). Your **SoftSign™** font may contain more than one of your signatures: *specifically* your complete signature (full name), complete signature with your degree(s), first name, nickname, and/or initials). Your **SoftSign™** font will be named **SoftSign** and each signature that it contains may be entered by typing a single keystroke, as follows:

- s** — your complete signature (*e.g.*, John Doe)
- d** — your complete signature with your degree(s) (*e.g.*, John Doe, Ph.D.)
- f** — your first name only (*e.g.*, John)
- n** — your nickname (*e.g.*, Jack)
- i** — your initials (*e.g.*, JD)

**SoftSign™ Personal Signature Fonts** are priced at \$75 per signature. We generally process orders within 24 hours of receipt and deliver them free *via* email.
